The best-known and most-loved DVR on the planet. TiVo® is here, and only from Compton.

The Emmy® Award winning TiVo® service has arrived in Canada, in a one-box HD solution. Online scheduling, Season Pass recordings, expandable recording capacity and 14 days of on-screen program guide data. It's always working to automatically find and record the entertainment you want to watch, and to find you related programming you might want to see.

Motorola DCX3200
HD without DVR capability. Compact, powerful and MoCA compatible for future whole-home networking.

Motorola DCX3400 DVR
Dual HD tuners, onboard 320 GB hard drive and MoCA compatible for future whole-home networking.

Motorola DCT700
Small, flexible and very affordable. Perfect for secondary standard definition TVs.

Compton Communications has been serving customers in Port Perry, Uxbridge and surrounding areas since 1972. Compton now offers digital TV, phone and Internet services for residential and commercial customers, with superior reliability and pricing. Over the years Compton became the first company in Canada to launch an HD-capable DVR, the smallest company in North America to launch Video on Demand services and the first cable company in Canada to offer the TiVo DVR. Compton was recently described by a customer as a company that "not only knows how to recite the good service mantra, but actually knows how to deliver on it."

Certain programming restrictions apply. HD channels require purchase or rental of an HD-capable digital box.
