

COMPTON TERMS OF SERVICE

1. Introductory Information

a. How do the Compton Terms of Service apply to me?

These Compton Terms of Service ("Terms") govern your use of:

- the Compton services that you subscribe to or purchase under a service agreement or receive from or through Compton("Services"); and
- any device or equipment used to access the Services or used with the Services ("Equipment").

In these Terms, "Compton", "us", "we" and "our" means Compton Communications, operated by Rogers Communications Canada Inc.

b. How do the Compton Terms of Service work with my service agreement and other materials made available to me?

These Terms work together with the following materials to form your complete agreement ("Agreement") with us, and provide you with the important information you need to help you fully understand your Services:

- Your **service agreement** for the specific Service you subscribe to.
- Our **Acceptable Use Policy**, which sets out the rules, policies and limits you must abide by when using the Services. Our Acceptable Use Policy lists examples of prohibited activities and unlawful or inappropriate content and gives us the right to remove content and/or suspend or terminate your Services if you violate the policy.
- Our **Privacy Policy**, which sets out our policies in relation to the collection, use and disclosure of your personal information. Our Privacy Policy details why we collect customer information, how we use it and how we share it, and specifies how to contact us if you would like more information on our personal information handling practices.
- Any **additional terms and conditions** that may apply to a specific Service that you subscribe to or use.
- Any **Compton material describing your Services or products you purchase**.

Your Agreement, with any amendments, is the entire agreement between you and Compton for the applicable Services. If there is any inconsistency between the materials listed above and these Terms, these Terms will prevail.

c. Who is responsible for complying with the Agreement?

You, as account holder, are responsible for complying with the Agreement. Among other things, you are responsible for:

- all charges on your account;
- ensuring that anyone who uses Services under your account or with your authorization complies with the Agreement;
- ensuring that others do not gain unauthorized access to your account and your Services, including by protecting the security of any user names or passwords relating to your account;
- ensuring that any information you have provided to us is up-to-date and accurate, and to let us know if it changes.

d. May I transfer my Agreement to someone else?

You will need our prior permission if you want to assign or transfer an Agreement. We may assign or transfer an Agreement or any of our rights or responsibilities under an Agreement without your permission.

2. Service Term, Changes and Cancellation

a. What are the categories of Services covered by my Agreement?

The Services are categorized as follows:

- "**Term Services**" are Services that you subscribe to for a committed period of time as indicated on your applicable service agreement ("**Term**");
- "**Month-to-Month Services**" are Services that you subscribe to on an ongoing basis, but not with a Term; and
- "**Pay-Per-Use Services**" are Services that you use on a per-usage basis (which may be a one-time usage, or usage for a set period of time, such as one day or one week), but not on an ongoing basis.

b. What is the term of my Agreement?

The term of each Agreement starts on the initial activation date of the Services or the Equipment, whichever is earlier ("**Activation Date**"). On your Term expiry date for a Term Service, the Service will automatically become a Month-to-Month Service and you will keep your existing Service and Agreement with us, until they are changed or cancelled in accordance with these Terms.

c. Can Compton change my Services or my Agreement?

Yes, Compton may change your Services or Agreement as described below.

We may change any aspect of a Month-to-Month Service or Term Service as well as any term or provision of an Agreement, upon prior written notice to you by bill message, letter or e-mail. If you do not accept the change, your remedy will be to cancel the affected Services or Agreement by providing us with notice of cancellation under Section 2(e) below within **30** days of receiving our notice of change (unless we specify a different notice period or different remedy).

Pay-Per-Use Services are subject to availability and may be changed or cancelled by Compton at any time without prior notice to you.

d. May I change my Services?

You may change your Services at any time by contacting us in any of the ways set out in Section 9(d) below. You may be subject to an administrative charge in accordance with Section 3(e) below. Please note that if you wish to change a Service, you may only be able to change to a Service that is currently available in market. Also please note that any Service you remove may no longer be available for the price that you currently pay, or at all.

e. How can I cancel my Services and when does cancellation take effect?

You may cancel any or all of your Services and any corresponding Agreement at any time by calling us at the telephone number set out in Section 9(d) below. Cancellation takes effect on the day that Compton receives notice of the cancellation, or a future date specified in that notice (if applicable), whichever is later. Applicable charges continue until that date. However, if you only cancel an add-on, cancellation will take effect on your next billing date for that add-on and applicable charges will continue to apply until your next billing date for that add-on, unless otherwise indicated.

f. Will I be charged an early cancellation fee if I cancel my Service(s)?

If you subscribe to a Term Service that you cancel before the end of its Term, you will be charged an early cancellation fee as described in the service agreement for that Term Service ("**Early Cancellation Fee**").

g. What happens if I transfer my Service(s) to another service provider?

Transferring your Service(s) to another service provider is a cancellation of the applicable Service(s) and an Early Cancellation Fee may apply if the transfer results in the cancellation of a Term Service before the end of its Term. Any Service remaining on your account may be removed and/or transferred to a comparable Service plan if the Service or pricing becomes unavailable as a result of the transfer.

h. Can Compton cancel my Services and when does cancellation take effect?

Compton may cancel any or all of your Services or accounts and any corresponding Agreement, as long as we give you at least **30** days' prior written notice. Applicable charges continue until the cancellation date.

i. Can Compton suspend or cancel my Services without notice?

We may restrict, suspend, block, disconnect or cancel any or all of your Services, Equipment, accounts or identifiers in any way, including 9-1-1 service, without notice or liability to you, if:

- you are in breach of an Agreement, including for non-payment;
- you exceed your credit limit;
- you fail to provide or maintain a reasonable security deposit or other credit requirement when we ask you to;
- you agree to a deferred payment arrangement with us and fail to comply with its terms;
- you exceed our reasonable usage limits;
- you have given us false, misleading or outdated information;
- we reasonably suspect or determine that any of your account, identifiers, Services or Equipment is the subject of fraudulent, unlawful or improper usage or usage that adversely affects our operations or the use of our services, facilities or networks by others;
- you harass, threaten or abuse us or our employees or agents;
- you fraudulently or improperly seek to avoid payment to us;
- we need to install, maintain, inspect, test, repair, remove, replace, investigate, protect, modify, upgrade or improve the operation of the Services, the Equipment or our facilities or networks;
- any account or service on which your Services depend is cancelled for any reason; or
- we reasonably believe that there is an emergency or extreme circumstance that would warrant that action.

If we restrict, suspend, block, disconnect or cancel your Services or accounts:

- you must pay any amounts owing;
- we may also restrict, suspend, block, disconnect or cancel, without notice or liability, your Services under any other agreement or account that you have with us or a Compton affiliate (including accounts that may be in good standing);
- you may be charged for any costs incurred by us or any Compton affiliate in connection with your breach of these Terms, including costs incurred to enforce your compliance;
- your access to emergency or accessibility services (e.g., 9-1-1) may also be restricted, suspended, blocked, disconnected or cancelled;
- your rates for services with Compton affiliates may change in accordance with the terms of those services.
- recurring service charges continue to apply during any suspension of Service.

j. Will these Terms still apply once my Services are cancelled?

Certain provisions of these Terms may still apply as they may still be relevant even after cancellation of all your Services. Specifically, Sections 1(b)-(d), 2(e)-(j), 4(b), 5(c), 6(d), 8, 9(b)-(c) and the arbitration provisions of Section 9(a) will continue to apply to you after cancellation of your Agreement.

3. Account, Charges and Billing Information

a. How does Compton bill me for Services?

Service charges will start on the Activation Date and are billed in advance. Unless we both agree to a different arrangement, your billing period runs for one month, and ends on the bill date noted on the top of your bill. Your Activation Date and billing period won't always start on the same day. When this happens, your Service charges and allotted usage are pro-rated for the period between your Activation Date and your bill date. Usage charges, such as additional data, airtime, long distance, movie or event purchases are billed after you use them. We may bill you for a charge up to **6** months from the date the charge was incurred.

b. When is my bill payment due?

Charges on your account are due and payable in full from the date of your bill. If you are paying by mail or through a financial institution, please allow adequate time for your payment to reach us before the required payment date. You are responsible for all charges on your account.

c. What if I don't pay my bill on time?

If we do not receive payment of an amount due on your account by the specified required payment date, it will be subject to a late payment charge of **2%** per month, calculated and compounded monthly on the outstanding amount (**26.824%** per year) from the date of the first bill on which it appears until the date we receive that amount in full. You agree that we can charge any unpaid and outstanding amount, including any late payment charges, on any pre-authorized payment method on your account (e.g., a credit card or bank account withdrawal).

d. Will Compton ever assign my account to a collection agency?

Yes, if your account has an unpaid final balance, then we may assign your account to a collection agency after your account has been cancelled:

- at any time, if the contact information for your account is no longer valid;
- no earlier than **25** days after the cancellation date, if your account was cancelled for non-payment; or
- no earlier than **35** days after the cancellation date, if your account was cancelled for any other reason, and you have an unpaid final balance of **\$75** or more or you have not returned rental Equipment.

e. Will I be subject to any administrative charges?

We may apply administrative charges in connection with your account, including as a result of the following:

- price plan change;
- phone number (or other identifier) change;
- bill reprint requests;
- collection efforts due to non-payment;
- returned or rejected payments; and/or
- the restoral of Service.

A list of these charges is available on request, or at compton.net/charges, and forms part of these Terms.

f. What if I do not understand or disagree with a charge on my bill?

Any questions or discrepancies regarding charges must be reported to us within **90** days of the date of the applicable bill. Failure to notify us within this time period means that you have accepted those charges. If any of those discrepancies resulted in unauthorized or incorrect charges on your account, then we will reverse those charges within **30** days of receiving notice from you.

If you have reported a billing discrepancy to us, then we will wait at least **10** days before cancelling your service in accordance with Section 2(h) or Section 2(i).

g. How do discounts and promotions work?

We will apply a discount, promotion or benefit to your account as long as you remain eligible for it. We may check your eligibility from time to time, and if you become ineligible to receive that discount, promotion or benefit for any reason, we may remove it, and/or transfer your Service to a comparable Service plan, without prior notice.,

h. How is home phone long distance calling charged and how does Compton determine if I'm on a long distance home phone call?

Long distance charges are rounded down during the first **14** seconds of any minute and are rounded up to the next full minute starting **15** seconds into each minute. For international calls, you may be charged regardless of whether the call is completed. For home phone Services, calls are defined as local or long distance based on local calling areas, and your local calling area depends on your home phone number. If you dial a number that is long distance to your home phone number, then it is a long distance call. When using Call Forwarding, long distance charges apply when the number to which you forward the call is outside your local calling area.

Examples (Min:Sec)

A call duration of 0:20 would be 1:00

A call duration of 1:14 would be 1:00

A call duration of 1:15 would be 2:00

A call duration of 1:29 would be 2:00

4. Deposit and Credit Requirements

a. Does Compton require security deposits or other payment or credit requirements?

Yes, we may require a security deposit or impose other payment or credit requirements such as interim payments, mandatory pre-payments, or pre-authorized payments.

b. How are security deposits used?

Any security deposit you provide to us will be kept for at least **12** months, unless your Services are cancelled sooner. After **12** months, we may release and apply the security deposit against your account balance if we determine that your payment history has been satisfactory or that you have otherwise met our financial criteria for the return of the security deposit. We may apply your security deposit toward your account if you do not pay your bill and we may require you to replenish the security deposit after use. We will notify you when we apply all or part of any security deposit. We will return to you any security deposit with applicable interest within **30** days of cancellation of your Services or once we have determined that the conditions for returning the security deposit have been met.

5. Your Use of the Services

a. Do I own my phone number?

You do not own any phone number, e-mail address or other identifier assigned to you. We may change or remove an identifier at any time.

b. Does Compton monitor the content that I transmit when I use the Services?

We have the right, but not the obligation, to monitor or investigate any content that is transmitted using the Services (other than voice Services) or the Equipment. We may also access or preserve content or information to comply with legal process in Canada or foreign jurisdictions, operate the Services, ensure compliance with an Agreement, or protect ourselves, our customers or the public.

c. What are my responsibilities relating to the Services, and Compton or third party software or content?

All trademarks, copyright, brand concepts, names, logos and designs that we use are intellectual property assets, registered or otherwise, of or used under license by Compton, Rogers Communications Inc. or of one of its affiliates. You must take reasonable steps to protect the Services and this software and content from theft, loss or damage.

Please be aware that software or content may from time to time automatically and, without notice to you, cause your Equipment to access the internet incurring data usage and/or overage charges.

6. Equipment

a. **Is Equipment new or refurbished?**

Equipment that you purchase from us is new, unless otherwise indicated. Equipment that you rent from us is refurbished, unless otherwise indicated, and is based on availability.

b. **May I upgrade my Equipment?**

You may upgrade your Equipment at any time by contacting us in any of the ways set out in Section 9(d) below. You may be subject to an administrative charge in accordance with Section 3(e) above. If, in connection with your Equipment upgrade, you are subscribing to a new Term and cancelling a previous Term early, you will be charged an Early Cancellation Fee. Please note that if you wish to upgrade your Equipment, you may also be required to change to a Service that is currently available in market. Also please note that any Service or Equipment you remove may no longer be available.

c. **Is my Equipment locked or restricted to the Compton network or Services?**

Purchased and rental Equipment are to be used only with Compton Services at the service address identified on your account. If you attempt to tamper with any Equipment, it may become permanently unusable and may violate the software license agreement for that Equipment.

d. **Will Compton ever need access to my property?**

You authorize us and our representatives to enter or have access to your premises as necessary upon reasonable notice from us to install, maintain, inspect, repair, remove, replace, investigate, protect, modify, upgrade or improve the operation of our services, the Equipment or our facilities or networks, whether for your benefit or the benefit of others. If any of your Services or accounts have been cancelled, then you authorize us and our representatives to enter or have access to your premises to disconnect the Services and remove our Equipment, as applicable.

e. **Who is responsible for ensuring that my Equipment is compatible and up to date?**

Equipment and related software may have to meet certain minimum requirements and be maintained in certain ways and in certain locations in order to access the Services or for the proper operation of the Services (e.g., 9-1-1 services). Those requirements may change from time to time without notice and you are responsible for updating or maintaining your Equipment and software as necessary to meet those requirements. We may provide software updates for the Equipment for the continued operation of the Services or the Equipment. Likewise, from time to time we may have to modify or remove previous software features in order to introduce new features to ensure that the Equipment remains compatible with technological advancements. If your Equipment or software is not up to date, we may not be able to provide you with applicable customer support.

If you use Equipment that you did not purchase or rent from Compton, your access to and the proper operation of the Services (e.g., 9-1-1 services and public alerts) may be limited. We recommend that you use Equipment provided by Compton.

- iii. reconnecting any of your equipment and facilities as necessary after cancellation of your Services;
- iv. maintaining the security and privacy of your property and your transmissions using the Services, the Equipment or our facilities or networks;
- v. protecting against any breaches of security or privacy or other risks involved in installing, using, maintaining or changing the Services or the Equipment; and
- vi. ensuring that there are no unauthorized attachments to the Equipment or our cable (e.g., for television Equipment, only **1** television may be attached to any outlet).

Except for Equipment that you have purchased, all Equipment we install or provide to you remains our property. For all Equipment we own, you must:

- i. take reasonable care of it;
- ii. not sell, lease, mortgage, transfer, assign or encumber it;
- iii. not re-locate it without our knowledge and permission; and
- iv. return it to us at your own expense upon cancellation of the Services to which the Equipment is related.

If our Equipment is lost, damaged, stolen, sold, leased, mortgaged, transferred, assigned, encumbered or not returned, you must immediately notify us. You agree to pay us the undiscounted retail value of that Equipment, together with any costs we incur in seeking possession of it.

Neither the course of conduct between us nor trade practice modifies any provision of an Agreement.
